

IVECO

Get going! Enter your apprenticeship!

Our apprentices in automotive engineering are supported in the workshop by journeymen at every branch. It is important to us that our apprentices fit well into the team, enjoy their job, and are open to learning new things. We want to promote your potential and take you on in the company if your performance is convincing.

We are currently looking for **YOU** for the following apprenticeship in **Vienna (1230), Hörsching** and **Eugendorf**:

Apprentice in business logistics (f/m/d)
