

IVECO

Cooperate. Advance. Deliver.

In our workshop, we work with full commitment on the best products for satisfied customers. This is where the magic of our company happens. Team players with skill, common sense and the will to implement ideas are in demand. This is also where the constant professional development and specialization from journeyman upwards starts.

We are expanding our teams in the workshops of our branches in **Mäder, Eugendorf, Hörsching, Wöllersdorf** and **Vienna (1230)** and are looking for **YOU** to start immediately as:

Truck technician/electrician (f/m/d)

What you can expect:

- repair, service and maintenance work on commercial vehicles (as well as buses at the Wöllersdorf and Hörsching locations)
- preparation of new vehicles before delivery
- troubleshooting, diagnosis and elimination, repair work
- sticker check and speedometer checking
- preparedness for emergency services

This is what you have in store:

- completed apprenticeship as an car or truck technician/electrician
- relevant professional experience, ideally in the commercial vehicle industry
- independent, precise working methods and high quality awareness
- willingness to work, ability to work in a team and readiness for further development
- very good German skills
